

Do you have a health issue?

Jesus wants to heal you NOW!

Dates: Monday January 16th, Tuesday January 17th, Wednesday January 18th

Time: 7pm Nightly

Place: Vacationland Inn, 453 Wilson St. (Route 1A), Brewer, Maine

What: Rally to explain how to receive healing from Jesus

Who: Revs. Steve & Rosie Young of Cushing, Maine

Cost: Free! We will very briefly receive an offering, but there will be no pressure to give. We are interested in giving YOU something – knowledge of the healing that Jesus makes available to everyone for free!

We have seen Jesus heal many medically incurable conditions. (If you have one, what do you have to lose going to a free meeting?) He treats people regardless of whether they have health insurance, and He never charges for His services. What a deal! We hope you will attend our rally, find out more, and get healed!
